V1 VAULT DOOR

The V1 Vault Door is built to the same high standards as all Zanotti Armor® safes and can be installed in any home creating the ultimate functional space.

With the ability to lock and unlock from inside or outside, the V1 offers a **Triple Threat of Protection.**

Turn any room into a secure walk-in gun and valuable safe.

Provide a safe, shielded space during extreme weather.

With the optional "Safety Pin" feature, create an impregnable Safe Room.
